**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep competition in the picture, we need the lower cost providers. As an independent coffee shop manager, I need to be competitive and provide free wifi to our customers. And that monthly expense needs to be as low as possible so I can continue to balance out the huge expenses like rent and payroll.

Every little expense matters to a shop like ours. Please allow competition to thrive so expenses to everyday Americans are less.

Thanks.
